MEDIA RELEASE

CLCAC to Meet with Deputy Secretary Fran Phillips, of the State Department of Health and Mental Hygiene

Frederick, MD – The Containment Laboratory Community Advisory Committee will meet with Deputy Secretary Fran Phillips, of the State Department of Health and Mental Hygiene on Tuesday, November 8th at 700 pm in the Boardroom of City Hall. This meeting will be a public conversation about the role of the State in safety and oversight of the non-governmental (private) Biosafety level 3 laboratories in the community. There will be a public comment and question period.

The meeting is open to the public and will be televised live on local Government channel 99, and will be available for later online viewing. For further information please contact Beth Willis, Chair, CLCAC at 301-694-9410 or at mcbeth@mac.com. For more information about the CLCAC see:
